

eCustom.com

Dear Parents,

Landmark Academy has teamed up with eCustom to create a unique and fun fundraising program to benefit the school.

The eCustom Artwork Program provides a convenient way for groups and organizations to offer a wide variety of clothing and other products to families and friends. Best of all, the items can be personalized to display your child's very own artwork! This document describes how the program works and how it can be used to raise money.

**Project Coordinator:**

Jo-Anna Hangland  
jhangland@gmail.com

**Make checks payable to:**

Landmark Academy

• **Easy Ordering Process**

Children take orders from family and friends and turn them into the school or organization before the deadline. Orders can also be placed over the internet. A special web site is set up that allows family members to search for artwork where they can optionally purchase the items on-line with a credit card.

• **Easy Delivery**

Children can pick up their items from the group coordinator after the program is completed. For on-line orders, you may choose to have your items sent to the school for your child to pick up. Other delivery options include UPS and USPS. For those family members out of state, this is a great option! In addition, local residents can also pick up items at our retail store location in Brighton, CO.

• **High Quality Full Color Printing**

The printing technology we use at eCustom allows us to print full-color images and artwork on our products. We can print personalized artwork on single items such as t-shirts, sweatshirts, coffee mugs, mousepads, dog tags, and more!

• **Wide Variety of Products with no Minimums**

We use the latest printing, laser, and embroidery technologies to offer the largest number of products with no minimum quantities.

• **High Quality Garments**

Most of our shirts are 100% cotton or cotton / polyester blend. The artwork is printed directly on the material and has a soft natural feel. The print does not crack or peel and has great washability.

• **Personalize it!**

Many of the items we offer for the Artwork Program can be personalized with names or phrases. This is a great personal touch that can be displayed at events, games, work, or at home! Please see the product list, product catalog, or web site for personalization availability.

• **An Ever Expanding Product Line**

We are constantly adding new products to our product line. If you don't see a product you would like to order in the product catalog, try the web site. We are constantly adding new products to our Artwork Program on-line.

• **Raise Money**

This program is a great opportunity for schools, groups, or organizations to earn extra money for their programs. The school will earn 30% of the sales price! Money earned from this program for *Landmark Academy* is going to benefit: *Projects and programs for the entire school.*

### **1. Product Pricing**

Each product is listed on the product sheet. Next to each product you will find the product code, description, and price. Be sure to find the correct product and correct price.

### **2. Artwork Code**

Be sure that the artwork code listed on the order form you received corresponds to the code assigned to your child's artwork. If the artwork codes do not match, the products will not have the correct artwork on them. Do not use an order form from another child. If you need an extra order form, please make a copy of your blank order form.

### **3. Take orders from Family and Friends**

Take orders from family and friends. If you take a large number of orders, be sure to write down or keep track of who gets what products. Make your checks payable to: Landmark Academy.

### **4. Fill out the Order Form**

Fill out your order form. Make sure to double check the pricing and totals. Be sure you are turning in the same amount of money that is listed as the total on the order form.

### **5. Turn in your Order Form (Due Date: 04/14/08)**

Return your order form to your child's teacher. Be sure you turn in your order forms before the due date.

### **6. Web Orders**

You can also place orders on-line. The website address is listed on the order form. You can choose school pick-up when checking out if you want the products sent to the school with the other orders that are taken with normal order forms. You can also place web orders after the due date. If you do, you must either pay for shipping or pick up the items at our Brighton retail store.
