# Expanding Product Line

### M. Poker Chips

Double-sided printable poker chips make great gift items! The disks are double-sided, weigh 10 grams each, and measure 1.5" diameter x .131" thick.

### N. Aprons

A cooking apron with a custom print is a great idea for the cook in the family. These aprons can be used for cooking, gardening, cleaning, etc.

### O. Baby Bibs

Printable polyester bibs with cotton pink or blue trim are perfect for baby artwork.

### P. Ceramic and Glass Tiles

Picture tiles can be used individually or in murals. Stunning full-color pictures can be printed on the tiles.

### Q. Cutting Boards

These beautiful tempered glass cutting boards have a grain texture on the surface. The artwork is printed on the back and can be seen through the glass.

### R. Jewelry

We offer different styles of sterling silver charms that can be added to necklaces or bracelets. Full-color pictures can be printed on these tiny keepsakes.

### S. Night Lights

Available as a kit, each unit consists of an oval diffuser, night light base with on/off switch, 4-watt replaceable bulb, and a clip for attaching the diffuser to the night light base.

### T. Holiday Ornaments

We offer a variety of picture ornaments that can be printed on both sides. These ornaments are great for children's pictures. Make a new one each year to hang on the tree!

### U. Puzzles

We offer many different sizes of customized puzzles. Picture puzzles are very popular items at eCustom.

### V. Wallets and Checkbook Covers

Artwork can be printed directly on the outside of these polyester wallets and checkbook covers. Show off photos of your loved ones with these unique products.

### Large Format Printing

We do large format printing. Contact us if you have a need for banners, signs, wall-graphics, or window graphics.

### More Products

Are you looking for more products? We use a variety of printing and engraving technologies that allow us to offer a large amount of custom products with no minimums. Feel free to contact us with your ideas and needs!
